## Industry-Proven Products.

Industry-Leading Design Solutions.

### Feed Milling.

*NOR-AG supplies Feed Milling equipment that best meet your requirements. We develop equipment solutions with your farm in mind, and provide the information and experience you need to make informed choices. We offer an extensive selection of Industry-Proven products: Sizing Technology - Roller and Hammer mills for grinding grains, oilseeds, to obtain uniform particle size prior to further processing; Mixing Equipment - Full line of Mixers that ensure thorough mixing of all types of products from powdered materials to coarse ground ingredients, Micro Ingredient Systems - Farm and Commercial micro ingredient systems accurate to within one two-hundredths of a pound - up to 24 - 6 cubic foot hoppers; Conveyors / Augers - Conveyance for receiving or unloading, pre-processing or post processing, for material handling throughout the Feed Milling system; Storage - Choose from a full selection of storage bins that meet the specific requirements of your Feed Milling facility; Process Controls - Automated controls for your entire Feed Milling System: Grinding, Mixing, inclusion of Micro and Macro ingredients, incoming and out-going conveyance machinery.*

#### Solutions for Processing.

- *Complete Batching Solutions*
- *Skid Mounted Batching Systems*
- *Roller-Grinder Mills*
- *Hammer Mills*
- *Micro Ingredient Systems*
- *Loss-In-Weight Micro Systems*
- *Flex Auger Totes*
- *Horizontal Mixers*
- *Horizontal Pre-Mixers*
- *Conventional Augers*
- *Flex Auger Delivery Systems*
- *Pneumatic Conveyor Systems*
- *Bulk Feed Tanks*
- *Smooth-Wall Feed Bins*
- *Large Capacity Grain Bins*
- *System Automation*
- *Motor Controllers*
- *Automation Compatibilities*
- *Upgradable Control Systems*

*Feed Milling products we supply are supported by Manufacturers Warranties.*

*You may call us for further information at any time **1-403-341-3767**.*

*Please refer to the Contact Information included on our Home Page.*

*Please note our after-hours emergency phone number **1-866-893-3302**.*

## **Swine Production.**

*NOR-AG offers swine producers a broad spectrum of industry-proven products and professional experience to provide true value that match our customers specific needs.  
NOR-AG supplies industry-leading design solutions and equipment.*

### Solutions for Growing.

- *Electronic Sow Feeding*
- *Electronic Farrowing Feeders*
- *Sow Feeding*
- *Farrowing Crates*
- *Gestation Stalls*
- *Electronic Nursery Feeders*
- *Drinking Cups & Drinkers*
- *Feed Delivery Systems*
- *Feed Bins and Accessories*
- *Fans*
- *Heaters*
- *Whole-House Controls*
- *Air Inlets*
- *Early Weaning Mats*
- *Feed Bin Inventory System*
- *Cough Monitor System*

*Swine Production products we supply are supported by Manufacturers Warranties.  
You may call us for further information at any time **1-403-341-3767**.  
Please refer to the Contact Information included on our Home Page.  
Please note our after-hours emergency phone number **1-866-893-3302**.*

## **Poultry Production.**

*Growers have counted on NOR-AG for reliable, quality poultry production systems.  
For optimal results we recommend using the best technology and tools available.  
We offer a full range of feeding and drinking systems, smart solutions for feed handling  
and climate automation, and intelligent management controls and software:*

### Solutions for Growing.

- *Proven Feeding Systems*
- *Reliable Drinking Systems*
- *Drinkers*
- *Optimal Climate Controls*
- *Water Consumption Monitoring*
- *Continuous Bird Weighing*
- *House Behaviour Monitoring*
- *LED Lighting*
- *Horizontal Pre-Mixers*
- *Flex Auger Totes*
- *Pneumatic Conveyor Systems*
- *Smooth-Wall Feed Bins*
- *Layer Cages*

- *Aviary Systems*
- *Nesting Systems*
- *Egg Collection Systems*
- *Egg Counters*
- *Egg Picking Systems*

*Poultry production products we supply are supported by Manufacturers Warranties.*

*You may call us for further information at any time **1-403-341-3767**.*

*Please refer to the Contact Information included on our Home Page.*

*Please note our after-hours emergency phone number **1-866-893-3302**.*

## **Grain Handling.**

*NOR-AG supplies Grain Handling equipment that best meet your requirements. We develop equipment solutions with your farm in mind, and provide the information and experience you need to make informed choices. We offer an extensive selection of Industry-Proven products:*

### **Solutions for Handling.**

- *Bins to 1.2 Million Bushels*
- *Large Capacity Corrugated Bins*
- *Smooth-Wall Bins*
- *Continuous Flow Dryers*
- *In-Bin Dryers*
- *Remote Dryer Monitoring*
- *Bucket Elevators-Farm and Commercial*
- *Distributors*
- *Belt Conveyors*
- *Chain Conveyors*
- *Conventional Augers*
- *Pneumatic Conveyor Systems*
- *Overhead Bins*
- *Screening / Cleaning Equipment*
- *Bucket Elevator Support Tower*
- *Systems Platforms*
- *Full System Automation*
- *Motor Controllers*
- *Upgradable Control Systems*

*Grain Handling products we supply are supported by Manufacturers Warranties.*

*You may call us for further information at any time **1-403-341-3767**.*

*Please refer to the Contact Information included on our Home Page.*

*Please note our after-hours emergency phone number **1-866-893-3302**.*

## **Fertilizer Facilities.**

*NOR-AG supplies Feed Milling equipment that best meet your requirements. We develop equipment solutions with your farm in mind, and provide the information and experience you need to make informed choices. We offer an extensive selection of Industry-Proven products:*

## Solutions for Fertilizer.

- *Large Capacity Bins*
- *Smooth-Wall Bins*
- *Bucket Elevators-Farm and Commercial*
- *Distributors*
- *Belt Conveyors*
- *Chain Conveyors*
- *Conventional Augers*
- *Overhead Bins*
- *Bucket Elevator Support Tower*
- *Systems Platforms*
- *Full System Automation*
- *Motor Controllers*
- *Upgradable Control Systems*

*Fertilizer Facility products we supply are supported by Manufacturers Warranties.*

*You may call us for further information at any time **1-403-341-3767**.*

*Please refer to the Contact Information included on our Home Page.*

*Please note our after-hours emergency phone number **1-866-893-3302**.*
